

START

Re-think your idea.

Will the activity help to **prevent social difficulties** around death, dying, loss or care?

Yes

No

(Box A) Write down how the activity will prevent social difficulties OR minimise harm OR be an early intervention.

Will the activity help to **minimise the harm** of one of the current difficulties around death, dying, loss or care?

Yes

No

Is activity an **early intervention** along the journey of death, dying, loss or care?

No

Yes

Will the activity/initiative you are planning change the **setting/environment** for the better?

No

Yes

(Box B) Write down how the activity will change the setting/environment for the better.

Is the activity/initiative **participatory**?

No

Yes

Indications are that your idea will work!

On reflection, do the answers you've written for boxes A-E make sense?

No

(Box C) Write down in what ways the activity is participatory.

(Box E) Write down how the success of the activity will be evaluated

Yes

Is the activity/initiative **sustainable**?

(Box D) Write down how the activity will be sustained.

Can the success of the activity/initiative be evaluated?

No

No

Yes
